The Professional Trade Magazine: Print and Online Issue

Target group and content

Our special magazine **WRAPS** is aimed at all professional car wrappers and those, who would like to become one. Whether it is about wrappings of cars, busses, motorcycles or even helicopters. We do not only present wrappings with spectacular designs, but we also go into detail regarding the proper wrapping techniques: cleaning of the surface, selection of the film and processing as well as the usage of squeegee, cutter and hot air gun.

WRAPS appears parallel with the October issue of the professional trade magazine **WERBETECHNIK**. Our subscribers receive this special issue for free!
